

Dear members and partners,

January was a landmark month for EurAsia Gulf, featuring five high-impact events that strengthened our regional ties.

January at a Glance

- **Diplomacy & Networking:** We hosted a successful **Christmas Reception** and a **Diplomatic Business Lunch** with guest of honor **H.E. Bojan Đokić**, Ambassador of Bosnia and Herzegovina.
- **Regional Collaboration:** We held a joint session with the **Kazakhstan Business Council** and successfully launched our **Majlis Dinner series** in Russia and Georgia.
- **Growth:** We are proud to welcome **nine new members** to our community and supported delegations from **Russia, Uzbekistan, and Kazakhstan** at the Gulf Food Exhibition.

Stay Updated

The new **EurAsia Gulf Quarterly E-Magazine** is now live in English and Russian, featuring exclusive interviews and insights for business leaders.

NEW SPONSORS & CORPORATE MEMBERS

Silver Member, Ember Consulting Group

Ember Consulting Group stands as the definitive bridge between Eastern and Western markets, transforming the complexity of global expansion into sustainable competitive advantage. We serve as the strategic partner that enable enterprises to navigate

commercial hassle, cultural nuances, regulatory frameworks, and operational complexities with confidence and precision.

Our unique positioning emerges from a fundamental understanding that successful global expansion requires more than market analysis or regulatory compliance—it demands the seamless integration of strategic intelligence, cultural expertise, and operational excellence. Through our established presence across United Arab Emirates, United States, Great Britain, and Pakistan, we provide clients with unparalleled access to both emerging and established markets, supported by deep local expertise and global strategic perspective.

ECG's leadership team comprises former Fortune 500 executives, ex-government officials, and industry specialists who bring decades of cross-border experience to every engagement. This combination of strategic acumen, regulatory mastery, and operational expertise enables us to deliver outcomes that extend far beyond traditional consulting relationships—we become integral partners in our clients' global success.
