

Dear Members and Partners,

Welcome to the **August edition** of the EurAsia Gulf Newsletter.

July was another exciting month for EurAsia Gulf as we continued to strengthen business connections across the UAE, Russia, Georgia, Uzbekistan, and beyond. Through our networking events, diplomatic engagements, and strategic partnerships, we welcomed new members, connected business leaders, and created new opportunities for cross-border collaboration.

As we move into August, we are pleased to introduce several important initiatives that support our vision of becoming the leading business platform connecting the GCC with Eastern Europe and Central Asia.

What's New

EurAsia Gulf E-Magazine

We are delighted to launch the latest edition of the **EurAsia Gulf E-Magazine**, featuring exclusive interviews, business

success stories, investment insights, and updates from across our international network.

EurAsia Gulf Travel Hub

We are also proud to introduce the **EurAsia Gulf Travel Hub managed by Arabian MICE**, offering business travel, event management, conferences, incentive trips, and corporate travel solutions across the UAE, Saudi Arabia, Russia, Georgia, Uzbekistan, Kazakhstan, and many other markets within our network.

Central Asia Club

Last month also marks the launch of the **Central Asia Club**, a new platform dedicated to strengthening business, investment, and cultural cooperation between the GCC and the five Central Asian countries through networking events, business forums, podcasts, and incoming delegations.

Looking Ahead

The months ahead will bring more networking events, trade missions, CEO interviews, business forums, and new opportunities for our members to expand internationally.
