In 2021 and 2022, EurAsia Gulf held the "Eurasian Business Forum – Spotlight into Belarus" in conjunction with the Embassy of the Republic of Belarus in the UAE. The goal of these conferences was to emphasize the investment opportunities that Belarus may offer GCC firms. It draws approximately a hundred high-ranking corporate leaders from the UAE, who have the opportunity to network with Belarusian government and commercial sector officials.

The prominent speakers at these forums included H.E. Andrei Luchenok, Ambassador of the Republic of Belarus to the United Arab Emirates, as well as the heads of the National Investment Agency of Belarus, the Chamber of Commerce of Belarus, and the Sharjah Chamber of Commerce.

Several B-2-B meetings were held, during which participants discussed a number of themes aimed at increasing trade between the Republic of Belarus and the United Arab Emirates.
